# AGENDA

09:30

1. Opening – Introduction to the study and quick summary of the object of today's meeting (DG GROW)
2. Presentation of draft Task 3 report – Proposed generic points systems methodology (Consortium)
3. Presentation of draft Task 4 report – case study of generic points methodology applied to Data Storage Devices (Consortium)

11:30-12:00 Coffee break

12:00

4. Presentation of draft Task 4 report – case study of generic points methodology applied to Machine Tools (Consortium)

13:00:14:30 Lunch

14:30

5. Analysis, discussion and exchange on "Task 3 - generic points system methodology" (all)
6. Discussion and exchange on "the Task 4 – Data Storage Devices case study" (all)

15:45-16:00 Coffee break

7. Discussion and exchange on "the Task 4 – Machine Tools case study" (all)
8. Presentation of implementation issues (Consortium)
9. Discussion of implementation issues (all)
10. Next steps
11. AOB

17:30 End of meeting
